Winning paragaph of Name the Yearbook contest

"The reason I picked the name The Trailriders, is because I think it would be a good name for the yearbook. It shows the people the trail the Cowboys and Cowgirls have followed this school year along with the fun activities we enjoy thru twelve hard, fun years of school."

Lesa Jeffevat

As we go down the trails of school, it's a long, hard road. Even after our highschool years are over, we'll ride down the trails of life with many different turns to take and many different decisions to make. Each road determines which way our lives will go. This is the beginning, here in school—We are the TRAILRIDERS.

a KHS TRAILRIDER

Empty, yet filled with the memories of students who have rentured on to other paths of life. Memories which can never be relived, yet will never be forgotten. They are a part of us and a part of our school. The staff-has tried to make time stand still; forever the Irailrider can bring the past closer to you.

PRINCIPAL'S MESSAGE

Dear Seniors,

Congratulations on 12 long years of hard work. Striving for the goals that just a few years ago seemed so far away.

My parting wish for you is to accomplish your goals and make the most of the years to come. This is going to take a direct effort on your part.

Our time is one of great sadness and little enthusiasm, and very few people are striving to do their very best. Most people are quite willing just to "get by", but I believe that the most enjoyable life is one that is planned. Strive to do your best in every task, every day.

I am not worried about your making a living; I am deeply concerned about your enjoying your life, particuarly your leisure time. Life can be rich and varied and deep, if you make it so; or it can be flat and dull. Too much of our time is spent in getting the quantity of things. In reality, the thing that enriches our life is the quality that we teach ourselves to demand. I hope you will pursue the quality.

All good wishes,

Mr. Clark Rhyne High School Principal
